Detailed Action

1. This action is response to the amendment filed November 3, 2004.
2. Claims 1-2, 4-20, and 22-29 are pending in the application.

Allowable Subject Matter

3. Claims 1-2, 4-20, and 22-29 are allowed.

Reasons for Allowance

- 4: The following is an examiner's statement of reason for allowance:

Claims 1 and 18, the prior art does not teach a folding type mobile communication terminal comprising "a receiving section which receives a call or an e-mail from a counter end; a main display unit provided on an inner surface exposed when said mobile communication terminal is in an opened state; an external display unit provided on an outer surface exposed when said mobile communication terminal is in a closed state; a driver section which drives said main display unit and said external display unit; a control circuit which controls said driver section such that data relating to the reception of said call or said e-mail and data of said received call or e-mail are displayed on said main display unit in said opened state of said mobile communication terminal and on said external display unit in said closed state of said mobile communication terminal,

wherein said control circuit controls said driver section such that a symbol indicative of the reception of said call is displayed on said main display unit in said opened state of said mobile communication terminal and on said external display unit in said closed state of said mobile communication terminal in place of said data relating to the reception of said call, when a predetermined time period passes away without a reply to said received call by a user after the display of said data relating to the reception of said call or said e-mail is started" disclosed in claims 1 and 18. Claims 2, 4–16, and 28 are allowable as being dependent on claim 1. Claims 19-20, 22-27, and 29 are allowable as being dependent on claim 18.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
